

Dear DiaperFreeBaby supporter,

Has participating in a local DiaperFreeBaby™ email group or attending meetings given you the support and suggestions needed to make EC a joyful journey with your child? If so, please consider supporting DiaperFreeBaby by becoming a member. As you know, any interested parent is welcome in the email groups and at the meetings. Membership in DFB offers some additional privileges and benefits:

- For individual members, the most important benefit is knowing you are supporting DFB in the coming year, and contributing directly to our upcoming projects. Your support as a member helps us to support other parents in turn.
- A portion of membership dues remains with your local group, providing the finances for photocopying flyers and Discover brochures, as well as making other projects possible, such as starting a library of EC books or hosting a table at a local fair.
- Members may receive a member discount of 10% on most items when purchasing books and other items from DiaperFreeBaby.
- Being a member will also entitle you to first access to our quarterly members' newsletter, Infant Pottying Today, which is filled with encouragement and suggestions from other ECing families, as well as informative articles and pictures. An annual members' report will also keep you up to date on how DiaperFreeBaby is achieving our goals.

We look forward to hearing from you!

Sincerely,  
Amanda Alvine  
Membership Coordinator

P. S. Make sure to include the name of your local group, so they will benefit from your dues. And if you've been meaning to contribute to DFB, now is a great time to tack on an additional amount without any extra effort.

-----

M E M B E R S H I P   A P P L I C A T I O N

Hooray! I'm excited to join DFB in getting the word out and supporting more ECing parents this coming year.
